Empowering Future, Building Excellence

PathFound Bigoass Pvt. Ltd. is a forward-thinking solar energy company operating under the umbrella of Omega Group, committed to delivering sustainable and innovative energy solutions. The company focuses on harnessing solar power to provide efficient, reliable, and eco-friendly energy systems for residential, commercial, and industrial applications.

With a strong emphasis on quality, technology, and long-term performance, PathFound Bigoass Pvt. Ltd. specializes in end-to-end solar solutions — from design and engineering to installation and maintenance. The company aims to contribute to a greener future by reducing carbon footprints and promoting clean energy adoption across India.
